

Title: Camping Risk Assessment	Date of Assessment: 20 th September	Risk Assessor: Susan Newton
---------------------------------------	---	------------------------------------

Property Description: We have 7 campsites of varying sizes. Some campsites also have access to electricity sheds.

Hazard: Slips, Trips and Falls
Control measures
1. Users advised to pitch site appropriately.
2. Users to wear shoes at all times when onsite.

Hazard: Electricity
Control measures
1. Senior members of staff know location of mains and how to turn off in an emergency.
2. Fixed wire and portable appliance testing take place on a regular basis.
3. Guests are responsible for the safety of any electrical equipment that they bring onsite, and where possible the centre would request that these are portable appliance tested.

This risk assessment should be read and used in conjunction with other centre specific site and activity risk assessments.
