

Eggberts Escape Risk Assessment

Hazard	Injury	Risk Control Measures
Slips, trips and falls	Slight to severe injury.	Area for activity to be checked for any potential hazards prior to event and as part of ongoing centre management.
Slips, trips and falls – specifically access to the Beaver Tower	Slight to severe injury.	Only centre staff are to access the Beaver Tower. Staff to be exceptionally careful going up and down the stairs (carry the eggs up in a box) Staff must wear a helmet to access the tower.
Unexpected response to activity from children.	Slight to severe. Emotional harm, as well as physical, a potential risk.	Staff to support and supervise groups during session.
Food Allergies /intolerance/preferences	Slight to severe injury.	Staff to ensure prior to activity that young person taking part doesn't have any allergies.
Chocking on a dry cracker challenge	Slight to severe injury.	Close supervision of group during that activity.
Crush injury from group sitting challenge	Slight to severe injury.	Clear instructions to be given prior to challenge. If group are rowdy and not following instructions then this challenge should not be undertaken. People who wish to sit out should be allowed to.

COVID Compliance Measures

Maintaining Social Distancing	<ul style="list-style-type: none"> • Instructor will give groups space to work and if getting close will wear a mask. • Groups will be in the activity groups they have been working in during the day.
Equipment cleaning – reducing the potential to pass on Coronavirus	<ul style="list-style-type: none"> • Consumables will not be reused • If possible equipment will be quarantined for 72 hours post the session prior to being used again.
