

Shelter Building

Location

This activity takes place around the site normally within the tree area at the top of the Chapel (to the side of low ropes).

Equipment

No specialist equipment is required. The instructor will provide Tarps, Ropes and other bits and pieces. Water can be used as a way of testing the shelters.

Health & Hygiene

Participants should wash their hands after this activity and before eating.

COVID-19 Compliance amendments:

We continue to update and amend our COVID precautions and measures in relation to government guidelines and industry standards.

Hazard	Hazard Effect	Risk Control Measures
Trips / Slips.	Slight to severe injury.	Instructor to check site at start of session and remove from the area any significant logs or branches. Reminder at start of session about being outdoors and ground therefore uneven.
Rope	Slight	Instructor to keep vigilant and intervene if group members are unsafe.
Water.	Slight to severe	Instructor to be sensible in where water is thrown on shelter and how much, tailor it to the quality of the shelter created.
