

<b>Title:</b> Tented Village Risk Assessment	<b>Date of Assessment:</b> 21 <sup>st</sup> September	<b>Risk Assessor:</b> Susan Newton
--	---	------------------------------------

Property Description: Our Tented Village comprises of two small chalets sleeping 4, two large chalets each sleeping 12, alongside 3 large static tents sleeping 12 each. We also have a kitchen and marquee for the preparation and service of food.

<b>Hazard: Main Kitchen</b>
<b>Control measures</b>
1. All electrical appliances tested regularly and maintained to a safe, high standard.
2. Young people only to enter the kitchen under adult supervision.
3. Warning signs displaced around the kitchen as appropriate.
4. Users shown how to work kitchen appliances on arrival.

<b>Hazard: Slips, Trips and Falls</b>
<b>Control measures</b>
1. Good Housekeeping practices to be followed.
2. Lighting provided in chalets and tents.
3. Users advised to use caution in the main marquee as floor can be uneven.

<b>Hazard: Electricity</b>
<b>Control measures</b>
1. Senior members of staff know location of mains and how to turn off in an emergency
2. Fixed wire and portable appliance testing take place on a regular basis
3. Guests are responsible for the safety of any electrical equipment that they bring onsite, and where possible the centre would request that these are portable appliance tested.

**This risk assessment should be read and used in conjunction with other centre specific site and activity risk assessments.**
